NAVY BAND AT BENEFIT TONIGHT

Concert and Dance at Boyes Springs for Red Cross By Mare Island Band

There is a rare musical treat in store for everyone who attends the military dance and concert to be given by the Mare Island Marines at Boyes Springs tonight for the benefit of the Sonoma Red Cross Society. The boys are fine musicians. Besides playing all the latest dance music there are many fine singers among them and they will render all the latest war songs between dances.

This is the second trip of these Marines to our valley as last month they enjoyed an outing at Fetters where their concert made a big hit.

Do not fail to hear the boys tonight and help in the great work of the Red Cross. Manager Lichtenberg of Boyes and Duffy Lewis are planning to give everyone a pleasant time and the theatre is expected to be crowded to capacity. If you are a music lover and a patriot be there tonight.

JONES RANCH SUPPLIES ARMY WITH HAY

Joe Keechler was in town yesterday from the Jones ranch where he is the efficient superintendent. Mr. Keechler says that lots more rain is needed. He has been shipping 16 cars of hay to Camp Kearney, 500 tons in all. 2000 acres of new land is in crops this year.

CAR OWNERS, ATTENTION!

Certificates for unlicensed cars whose owners have applied to the Motor Vehicle Department will be issued by Speed Officer Beamer on receipt by him of the receipt, name of car and number of engine. He will then send the red permit to post on your wind shield.

Mrs. F. F. Sprague writes from Houston, Texas that the Division is still quartered there although Captain Sprague expects to leave for France at any time. Her young son, Everett, has joined the Boy Scouts and has his uniform. The Spragues are much entertained attending military weddings, balls and concerts. At a big charity ball for the Red Cross, the general and his staff accompanied by their wives occupied boxes and Captain and Mrs. Sprague were among them.

UNIQUE SHOWER PARTY FOR BRIDE-TO-BE

The White Shell Club gave a unique and jolly shower at the El Verano home of Mrs. Geo. Bruns recently in compliment to Miss Dorothy Dobbel, one of our pretty brides-to-be. The affair was attended by the club members and the guest of honor, all enjoying the originalty of it immensely. It was a decided surprise to Miss Dorothy and her mother who upon their arrival at the hospitable El Verano home were confronted with a parade of costumed guests representing scrub woman with mop, wash woman with basket, baker with rolling pin and other original characters all led by a clown, fantastically decorated with kitchen utensils.

After much merry making the bride-to-be was costumed as a utility bride with a roller towel as a veil and comical decorations all in keeping with the kitchen shower idea. Crepe paper was then distributed and clothes pins, the latter being dressed up as dolls and fashioned into diminutive bridesmaids which after the contest were placed on the table behind a doll dressed up as a bride. The doll bride stood before a toy stove instead of at an altar and was a most unique decoration. The place cards were tiny kitchen articles.

The piece de resistance was the replica of the half of a large egg shell which concealed a handsome gift from the White Shell Club to Miss Dobbel. It was a fine casserole of the new pyrotex ware presented in a happy speech by the president of the club and received with many thanks by the pretty young fiancee. All marched to the dining room to the tune of the wedding march, the bride elect on the arm of the clown and the other ladies in their costumes. There a fine repast was served.

Mrs. W. Hanger, accompanied by Maxine Hunter, went to Santa Rosa Monday. Cecil Hunter went up to take in the Katzenjammer Kids at the Cline Thursday evening.

Mrs. Elsie Gottenberg was hostess to the Bridge Club Thursday.

Mrs. Julius Poppe entertained Thursday in honor of her birthday. Many friends and her daughter, Mrs. Ruth Kruger, were there for the happy occasion.

Mr. and Mrs. Arbogast spent Sunday with the F. Helberg family.

Mr. and Mrs. I. B. Haytor spent two days of last week in San Francisco. During Mr. Hayter's absence Clyde Johannsen was on the Standard Oil wagon.

WATER PURCHASE FOR SONOMA

In Answer to Inquiries as to Why The Trustees Thought it Advisable to Submit the Vallejo Water System Bond Issue to the People.

To the voters of the City of Sonoma:

At the coming city election to be held on April 8th, you will be asked to vote bonds for the sum of $45,000 which amount is to be used to acquire a municipal water system.

The Sonoma City Water Co's., plant owned by the Vallejo heirs which gets its supply from the famous spring, Lachryma Montis, is the system the city intends to acquire. The quality and quantity of the spring cannot be questioned. The spring has never failed. We have just passed through one of the driest years since 1849 and if you visit the plant you will find the spring flowing as steadily as ever. In Oct. 1915, a test was made of the spring by Otto Von Geldern, consulting hydraulic engineer and engineer of unquestioned ability and honesty, in an actual pumping test and in 24 hours the spring yielded 351,000 gallons. $30,700 is the price which will have to be paid for the plant as it now stands and which could not be duplicated at present for twice the amount.

The present plant is a low pressure system and in order to make it an up-to-date system giving storage for fire protection, the sum of $14-300 additional will be required. This will also take care of proposed and necessary extensions and additions to the plant. The income from the present plant for the past year was $3751 or practically $312.55 per month. There are 203 tap connections, 181 of which are in use. It has been estimated that at least 50 taps can be added should the city at the coming election acquire the plant which at $2 per tap would increase the monthly receipts to approximately $412.55, or $4951 per year against which the probable maximum charges would be as follows:

Depreciation on perishable property value say of $30,-000 at 2 per cent	$600
Salary of manager at $80 per month	960
Power, 20,000 kilowat horsepower at 3 cents	600
Keep of horse and cart or auto at $15 per month	180
Printing at $2 per month	24
Telephone at $2.50 per month	30
Incidentals for light, firewood and other necessary office supplies at $4 per month	48
Materials for operation including oil, lubricants, waste, brooms and engine room necessities at $5 per month	60
Ordinary repairs and maintainance to keep plant in ordinary running order at $15 per month	180
Betterments, including new additions to the system required connections and alterations, exclusive of extensive alterations at $25 per month	300
Insurance, including liability for labor at $6 per month	72
Travel in interest of company at $5 per month	60
Office rent at $5 per month	60
Total	$3174
Total receipts for year	$4951
Expenditures	3174
Profit	$1,777

From which it can be seen that the system will not only take care of itself but also yield a profit which would be applied to the bond issue.

$45,000 for 40 years, redemption first year	1125
Interest for first year at 5 per cent	2250
Total	$3375
Amount of bonds to be issued	$45,000
Total assessment of real property in City of Sonoma	$575,221
Tax per $100 on bonds, 58 cents per $100	
Tax per $1000 on bonds, $5.86 per $1000.	

The City of Sonoma paid last year for water, $391.50. This amount would be saved. As the plant would provide fire protection the city could save $100 per month or $1200 per year which the Citizens Committee concluded was a fair amount to pay for same.

Municipal ownership of public utilities has in most cases proved a profitable investment and is no longer an experiment. To vote these bonds is a duty that you owe to yourself and to posterity.

To vote yes will give you fire protection, increase the property value, decrease in insurance rates. What other cities can do you can do. Calistoga has just bought its municipal plant, so can you.

SOLDIER LIFE IS A GIFT

Uncle Sam's Generosity Is Praised By Sonoma Soldier Boy at Camp Merritt, N. J.

The following letter from Newton Dal Poggetto will be read with much interest and should be an assurance to the parents of boys gone to fight for Uncle Sam that their Uncle is just all right:

CAMP MERRITT, N. J.
March 8, 1918

Dear Maa:-

I just sent off twenty post cards so while I am in action I am writing again. The first night we got here and the next day the weather was just fine but the next morning the ground was covered with four inches of snow and freezing all day so it was some cold today. The sun is shining, the snow is melting and it is fine again. You would be surprised to see all the clothes we have; two suits of clothes, four suits of underwear, twelve pair of socks, two sweaters, a big scarf, wristlets, two pair of gloves and all this stuff is heavy wool. We also have two pair of those heavy trench shoes and one pair of dress shoes, a big woolen helmet, dishes, knives, forks, gun shells, canteen, first aid kit, three big woolen blankets, one tent and a lot of other things and also two woolen shirts. They give us a razor, towels, soap and a complete outfit and all this stuff we have to pack on our backs. I would like to have a picture taken so you could see what we look like. We had a showdown inspection by the embarkation officers and we had to put everything we had out and they inspected everything and all was fine. We got paid yesterday so now when we go to France we will have plenty of money. I now have $62 in my pocket so don't worry that your little son is going to be broke, only once I was nearly down and out but I still had 10 cents so I was not broke.

To come down to think of it we sure do have swell eats. Sleep all day and night, never work and still at the end of the month we get our money. Coming right down to it we owe the government instead of it paying us but I guess we will work later. You have no idea of how many troops are leaving the country and we will have enough over there when hell starts breaking up and then you will see the American flag flying over Berlin. Well as I know of nothing else to say and as I am going to write a letter to Gilia. I must close with lots of love to all from your son,

NEWT.

WORK STARTS ON BIG CANNERY

Contractor R. E. Murphy Begins Erection Of Fine Concrete Building For San Sebastiani's New Enterprise

Sonoma is to have one of the most substantial and up-to-date canneries in Northern California and work on the massive concrete building which is to house the new plant was started this week by Contractor R. E. Murphy and assistants. The plans as drawn by a San Francisco architect call for a reinforced concrete structure, 80x250. The most modern sanitary and lighting arrangements are to be provided for and an approximate cost of the building itself is something over $10,000. The equipment will entail the expenditure of three times as much for the machinery is the latest and most approved pattern. Among the devices to be installed is an automatic conveyor of big capacity.

A siding 600 feet long has been surveyed and is to be put in by the N. W. P. Railroad Company to take care of the business at the Sebastiani plant.

Twelve or fifteen men are to be engaged in the construction of the building which will be ready in about four months and equipped to handle the pear and peach crop which will be put up under the direction of Mr. P. Quartaroli the expert packer. The tomato pack is expected to be the biggest put out by any cannery in this part of the state.

Mrs. T. Wise of San Francisco is being entertained at the Tate home.

M. Mangante has sold out his business interest in the barber shop to his partner and has left Sonoma.

Miss Ada Ritz of Buena Vista became the bride of John A. Morrow of Modesto this week.

E. Pasquini, the popular chef, is to be cook for Uncle Sam. He goes to Santa Rosa Monday for instructions as to his departure.

Mrs. M. Stearns has been visiting in Paso Robles.

L. B. McKenna visited his relatives here on Sunday. He is still at the Presidio.

GLEN ELLEN MOURNS A. E. GAIGE

Death Claims Esteemed Old Resident and Business Man of Upper Valley

There was general sorrow throughout the upper end of the valley when word of the death of Albert E. Gaige became generally known on Saturday last. Mr. Gaige died very suddenly following a stroke of apoplexy the day previous. He had been enjoying the best of health but his summons was never mistaken from the time he was stricken. He himself realized the seriousness of the attack and wished for release without prolonged suffering as had been experienced by some of his friends. The end came without pain and he passed away to eternal rest a little after nine o'clock Saturday morning.

Albert E. Gaige was in the butcher business at Glen Ellen for many years and was known far and wide for his square business dealings and his many kindly traits. "A better man never lived", so declares all those who had the pleasure of knowing this good man and sterling citizen.

He was born in Schnectady, N. Y., in 1848 and had been a resident of California for the past 30 years. In early days before coming West Mr. Gaige was a well known civil engineer and worked on many big projects. His last work was surveying for the U. S. Government at Yellowstone Park with Howard Carpenter, a prominent engineer. It was in Illinois that he married the noble wife and mother now left to mourn his passing. Of this union four children survive deceased. They are the sons Walter and Howard Gaige, the daughters, Mrs. W.F. Browne and Mrs. W. V. Griffith.

The funeral under the auspices of the Masonic Order of which Mr. Gaige had been for years an honored member, took place Monday at 1 p. m., from the Masonic Hall here in Sonoma. The remains were brought here Sunday and lay in state in his fraternal home over whose portals many sorrowing friends and brothers passed to pay their last respects. The funeral Monday was largely attended and many floral tributes were brought in token of the esteem and love of old acquaintances.

The following Masons were pall bearers and escorted the remains to their final resting place in Mountain Cemetery:

Messrs A. W. Weaver, Frank Weaver, E. A. Ranker, R. P. Hill, J. F. Tate and Mr. Moore.

Mrs. Ed. Lindley, who has been in Alameda where she underwent an operation, will return home tomorrow.

Henry Watters has sold his Ford to Prof. Cole of the Agricultural department of the High School.

Mr. and Mrs. James Tate spent Thursday in Napa.

Stripped of Camouflage

When the shadow of calamity in the shape of National Prohibition and bone dry legislation fell upon the threshold of our Golden State, it had one good effect and that is the revelation of the true intent of prohibitionists. It drew the line more sharply between the temperance advocates and the professional prohibitionists and confirmed the belief that the latters real intent is not moral but political. They are desirous of seizing the reins of government and at the recent convention at Fresno admitted that it was their avowed intention to stuff the legisfature with prohibition plants.

This truth was brought out at the Grape Growers meeting in Santa Rosa last Saturday where resolutions were adopted protesting the brazen attempt to annihilate the grape industry of California, to confiscate our vineyards without compensation and to seize the next Legislature in order to get the National Prohibition amendment ratified. The grape growers voiced the belief that the Rominger bill would "cure most of the evils of the liquor traffic if given a fair trial." Fancy if you can a fair trial at the hands of fanatics.

The Rominger bill would never have been conceived of by Rominger or urged by the longhairs had they forseen the war and the opportunities under the guise of war expediency to make the entire nation bone dry. They thought it wise to pose as reasonable and to masquerade as saloon swatters only for they realized that to be the most vulnerable side on which to attack the liquor interests. They therefore made up their mind to get part way across the stream via the Rominger plank, although constantly giving the impression that it was not half way satisfactory but was entirely so and that with the closing of the saloons, the wine and beer makers would be in the good graces of prohibitionists from grizzly Glenn to godly Long Beach. The camouflage caused the Rominger bill to be received very enthusiastically by all except those who knew Rominger and remembered that he said: "I would give my life's blood to get rid of wine and beer but that time is not yet ripe." The ripening time matured according to his notion sooner than he expected and had the effect of driving him and his proponents out into the open under their true colors.

True temperance whether the result of self control, good taste or satisfaction derived from light wines and beer is not recognized by prohibitionists. They would wipe out everything through the passage of artificial legislation nor have any regard for the millions invested in the grape industry of California or any other state. These are the people who aim to make the nation dry and if the Rominger bill becomes a law they will not long abide by it but seek to further foment dissatisfaction and embroil the state in more trouble. To decisively defeat every candidate suspected of bing affiliated with these drys is California's only hope. Nobody ever saw a dry state become so and stay so. They usually acquire ere long the "bone" degree with many an illicit oasis.

Inflicting Sonoma With "Embarrasing Charges" of Other Communities

A leading newspaper of Orange County in Southern California is voicing the sentiments of hundreds of people there who are resisting the attemt to foist a Feeble Minded Home on that locality. Sonoma Valley, some of whose choicest acreage is devoted to the state institution for the care and training of the feeble minded, has never protested but has accepted the situation most graciously.

Now however comes the announcement that feeble minded women and girls of depravity and acknowledged menace in the vicinity of training camps-"embarassing charges" of the city and county of San Francisco are to be rounded up and held in a concentration camp at the Sonoma State Home. Our most beauteous valley is to be dedicated to this purpose and we are moved to wonder why since new buildings must be provided, why this refuse must have the choicest climate, scenery and environment in the State of California at their disposal? Its very proximity to the big city of San Francisco should make it an unwise choice for there will be constant plotting, both inside and out, to establish communication with former friends and boon companions. Rioting is a common occurence in institutions of this kind and escapes are frequent. We do not relish the working out of this problem in our midst nor the taking over of charges acknowledged to be "embarassing" to other communities. It is not pleasant to contemplate that before long the name Sonoma will become synonomous with this rehabilitation camp for immoral women, supposedly so because of feeble mindedness and excused under the classification of Morons. It is not fair to our people who have loved and revered Sonoma for generations, that the name should be polluted through political preferenee even if excused under the plea of a war expediency.

Communities should take care of their own deliquents and if they fail to do so and it becomes the state's business to take on the burden they should use better judgment than to afflict a historic and beautiful locality already carrying uncomplainingly its share of institution responsibility, with public charges of the undesirable and menacing character of "Morons".

Cleo Didgley and Wallace Reid, the clever young Lasky stars, will be seen at the Don Theatre tomorrow (March 17) in the Jesse L. Lasky production of "The Yellow Pawn." In this picture one of the most unusual sets ever seen at the Lasky plant is being used—the interior of what is known as the duplex studio, similar to the ones used by the leading New York artists. The set, instead of having the usual three walls, has all four. The entire set is of solid wood paneling, hand carved.

Louis Pluff charged with a statutory offense has been discharged from custody and the case against him dismissed on motion of the District Attorney.

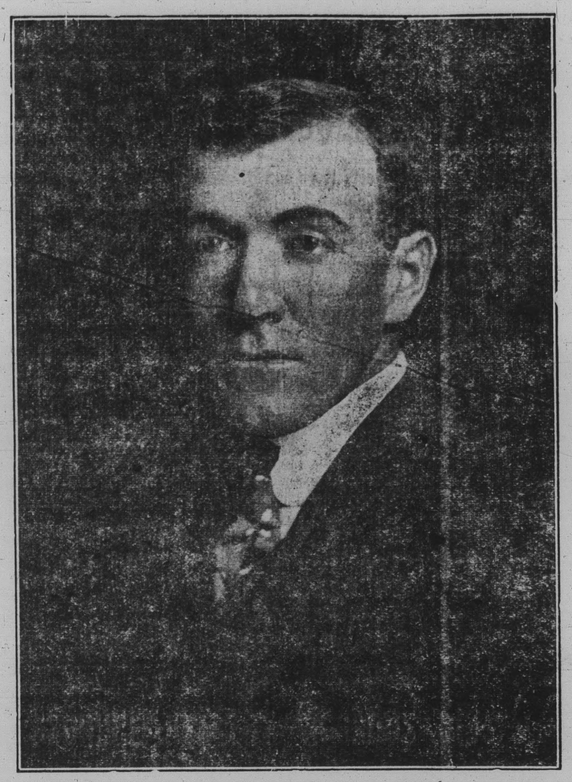
Clifford Bergstrom of the Engineering Corps has arrived "safe overseas".

Mrs. Bobby Rowe of Fetters has gone north to join her husband who is a hockey star with the Metropolitan team of Seattle. The final playoff took place Wednesday night to decide a tie, the winning team to play Montreal.

Mr. and Mrs. Chris Seaver of San Francisco were recent visitors at the home of Mrs. Z. Lane.

Mrs. Sam Haven who moved to Modesto some time ago has been quite ill and in the hospital. At latest accounts she was convalescing. Mrs. Haven's father presented her with a handsome Buick car for Christmas.

Joe Ryan Announces His Candidacy for Sheriff of Sonoma County



Joe Ryan, the well known livery-man and member of the Sonoma County Exemption Board, announces his candidacy for Sheriff of Sonoma County. Joe made a record run last election and was defeated by the present incumbent by a very small majority.

Although then comparatively unknown outside of Sonoma and immediate vicinity he proved a wonderful campaigner and put up such a clean manly fight for the office that he commanded the respect and admiration of voters in every portion of Sonoma County. Now with the wide acquaintance established during his last campaign and during his loyal service on the Exemption Board, Mr. Ryans friends are legion. Anyone who has observed his close attention to the patriotic service for which he was elected by the government and knows of the fair and unbiased judgement he has exercised in the carrying out of his duties there will appreciate that Sonoma County is to be congratulated on its prospects of having an official such as Joe Ryan will be.

He is a peace officer with a record of fearlessness and bravery and as a Deputy Sheriff he was wide and favorably known all over California.

Ryan is a man of proven worth both as a peace officer and a patriot, Impartial and courteous to all with a smile that has won friends for him everywhere, he is withal reserved and commands the respect of everybody. He will bring dignity to the office of Sheriff of Sonoma County.

Mr. Ryan has always been the true friend of unfortunates and has so keen an understanding of criminals that he would in fact make an ideal prison warden. Concientious to a letter, a splendid American citizen in principle and practice, it is Sonoma County's good fortune to have a man like Joe Ryan to come out for office.

Joe has quietly bided his time since last election and in announcing his candidacy so early this campaign he does so at the earnest solicitation of his friends who are not enthusiastic over the desire of Sheriff Smith to perpetuate him in office. him in office.

A record vote is predicted for Sonoma's favorite son. His formal announcement card appears elsewhere in these columns.

Mrs. Brereton of Vallejo was here the first of the week visiting her sister, Mrs. Paul Robin.

Mr. and Mrs. M. F. Mullen will enjoy St. Patrick's Day in San Francisco where there is to be a big celebration at the Auditorium.

BOYES SPRINGS NOTES

From present indications judging from the arrival of guests at Boyes this week, this ought to be a good season for the "Valley of the Moon."

Among the prominent arrivals at Boyes Springs this week were Al Joy of the Examiner and Harry Smith of the Chronicle. Both are well known sporting writers.

Speaking of these well known scribes calls to mind that Mr. J. Baines, the official "Mahout" of the little "Red Devil", took them and also "Scoop" Gleason out for an exercise run and showed them what the "Red Devil" could do and if the word of these scribes can be taken, the little "Red Devil" is a wonder both for speed and execution.

The Oaks had indoor exercise last Sunday, Monday and Tuesday. In the evening they were entertained by Harry Krause's Quartet and Sextet.

The pitching of young Arlett, brother of "Pop" Arlett on Wednesday when he held the "Regulars" to three hits was of Class A style. He pitched the nine innings and finished strong. If "Farmer Del" does not grab him quick then some other club will for he showed everything and won his game, 1 to 0.

There will be a big time at Boyes this afternoon and tomorrow. Duffy Lewis will bring up the Mare Island Ball Team and also the Mare Island Navy Band. There will be a ball game this afternoon at 2 with the Oaks. In the evening there will be a dance at Boyes Theater.. Tomorrow morning there will be an open air concert by the band on the lawn. At 1:30 p. m. there will be another ball game. Come and hear the band and see the boys play ball.

J. Allan Park, prominent banker of Haywards, registered at Boyes Wednesday evening. This is Mr. Park's fifth or sixth trip here and he says that for climate, baths and service there is no place in California to compare with Boyes Springs and the "Valley of the Moon". Welcome, Mr. Park.

SONOMA GIRL A RED CROSS NURSE

The honor of being the first Sonoma girl to serve her country as a Red Cross Nurse has been bestowed upon Miss N. Caminata, cousin of Matilda Baccala and sister of Miss Rose Caminata who is Dr. Harvey's assistant here.

The young lady who is to render patriotic service to her country is a graduate of Providence Hospital, Oakland, and has been most successful in her chosen profession for the past four years. She registered some time ago and offered her services under the noble insignia of the Red Cross and this week she was ordered to report at Camp Lewis.

Her many Sonoma friends will extend congratulations and wish her godspeed.

NEW LEASEES OF POPULAR RESORT

Messrs Monroe and Neilson of San Francisco have leased the Hotel Chauvet at Glen Ellen from Mr. and Mrs. Geo. Fetters and will conduct it as a high class summer resort. The new proprietors are said to be thorough hotel men and will cater to the best trade with special attention to families and automobile travel.

The Bellevue Hotel at El Verano has been leased by Mr. and Mrs. Fetters to J. C. Walker of San Francisco, an experienced hotel man.

SOLDIERS HONORED BY CONGREGATIONAL CHURCH

Sonoma soldier boys formerly affiliated with the Congregational Church or Sunday School were paid a beautiful tribute at the services last Sunday morning when a service flag with 23 stars was dedicated to them. An appropriate sermon and music made the occasion a memorable one and inspired the congregation with real patriotism and earnest prayer for the brave lads gone to war.

The soldiers honored at this service were the following:

Dr. Albert Shaw, Ralph Buchan, Raymond T. Cooper, Donald Campbll, Alfred Jansen, Lynn MacQuiddy, Arthur Carmer, Frederick Duhring, Rudolph Wagner, Lloyd Hotz, Russell Colton, Burton Hewgett, Arthur Coops, Leland Volquardsen, Eric Bateman, Garth Bateman, Roland Bateman, Geo. Chase, Herman Stedman, Axel Soderberg, Clark Evans, Eddie Peterson, Arthur M. Fiske and Louis Brown.

S. Shocken is having a fine glass sleeping porch built as an annex to one of his cottages on Spain St., occupied by Mr. and Mrs. Chicazola.

City Trustee Fred Bulotti has petitioned the Superior Court through his attorney, R. A. Poppe, for letters of administration on the estate of his father, V. Bulotti. The estate is valued at over $40,000 and consists of money and property among the latter being many flats in San Francisco. The heirs are the widow, a daughter, Mrs. Lily Goepfert and two sons, Fred and George Bulotti.

A Soldier's Strength

Every enlisted man would stand up stronger during the first year's service if he could have the benefits of

SCOTT'S EMULSION

because it fortifies the lungs and throat, creates strength to avoid grippe and pneumonia and makes rich blood to avert rheumatic tendencies.

Send a bottle of SCOTT'S to a relative or friend in the service.

The Norwegian cod liver oil in Scott's Emulsion is now refined in our own American laboratories which makes it pure and palatable.

CONTRACT PRICE STANDS

Judge Gesford tried the case of W. H. Rembert vs. Rossi & Poggi of St. Helena today.

The plaintiff sued for a grape crop, claiming the market price. The defendants admitted that they had purchased his grapes, but claimed that they had a contract with the plaintiff calling for $20 per ton.

Judge Gesford decided in favor of the contract price. (Napa Register)

LOFTUS IS A CANDIDATE FOR CORONER OF SONOMA CO.

Wm. Loftus was in town Monday from Petaluma renewing old acquaintances and announcing his candidacy for Coroner and Public Administrator of Sonoma County. He came to Sonoma County in 1878 and was for years a partner of Cop. Collins in the livery business at Petaluma. Mr. Loftus needs no introduction to many of our old residents and is given a find send off in his home town papers which say:

"Mr. Loftus is a gentleman of pleasing personality and excellent business attributes; a man whose extensive acquaintance will stand him in good stead in his political aspirations. He was for many years a deputy sheriff and did good work and was for a long time in business in this city.

"For many long years he was associated in business with the late F. M. Collins in the American and Washington stables and later he was in the undertaking business with Frank L. Blackburn, and aided him in his duties as coroner and public administrator, so he knows the duties well."

STATE FISH EXCHANGE REPLIES TO EDITORIAL

That Sonoma Index-Tribune editorials are closely watched by the outside world is evidenced by the following letter which seeks to give the real explanation of why fish prices are so high:

STATE MARKET COMMISSION
of California
San Francisco March 12, 1918

Editor, "Index-Tribune",
Sonoma, Cal.

Dear Sir;-

In Colonel Weinstock's absence, my attention has been called to your editorial of March 2nd, "Fish Fiasco Flourishes". I assume that you have no intention of being deliberately unfair and that the editorial was based on a misunderstanding of the facts. I therefore call your attention to the following quotation from an authorized interview with Mr. Ralph P. Merritt, Federal Food Commissioner for California, just previous to his departure for the East.

"The United States Food Administration asks co-operation aand assistance to reach the solution of the fish question-that of production."

"The interest of the consumer cannot be safeguarded without an adequate supply. * * * The demand exceeds the maximum production. * * *The communities about San Francisco bay can absorb more than twice the maximum production today.

"The people of the San Joaquin and Sacramento valleys and of the mountain districts desire fish but can obtain none at present except at most unreasonable prices.

"Fish has been shipped as far as Philadelphia, which has been caught at Pittsburg, California, and used in place of Delaware river shad.

"The fishing equipment owned by the wholesalers of San Francisco is totally inadequate and antiquated.

"There is no hope for permanent relief until private enterprise undertakes the necessany investment to construct and equip steam trawlers of modern type to bring in fish from undeveloped resources of the coast."

I note that you particularly mention salmon and take exception to the price of 25 cents per pound, which to you seems exorbitant If you can buy salmon in Sonoma at that price you are to be congratulated.

The only fresh salmon coming to market at this time in any appreciable quantity is a small daily shipment from Pittsburg.

Fishermen on the river receive 17 cents a pound for salmon and it costs about 2 cents per pound additional for commissions, express, box, icing, etc. The average wholesale fish dealer in San Francisco has an overhead of about 20 per cent of his retail sales. In fixing prices, therefore we allow him 25 per cent of his selling price so that he may have a net of 5 per cent. The average retail fish dealer has an overhead of about 25 per cent of his sales and we allow him an additional 8 1-3 per cent. If you will do a little figuring, you will see that a dealer who sells salmon at 25 or 30 cents a pound, at this particular season of the year, would quickly go broke if he did not have other varieties of fish on which he makee a reasonable profit.

Yours very truly,
Edgar Allen Forbes,
Secretary

A higher power Bethelemn truck has been brought from the Los Banos plant of the Mission Creamery to haul milk in the Sonoma Valley to the Sonoma creamery on First Street East. Mr. Vella reports business brisk and he has many customers for this time of the year. The highest price is paid dairymen for their product by the local firm who are in the market for all the milk they can buy.

LECTURE ON ATROCITY THRILLS

Dr. Morhodge Spoke Here Friday Under Auspices of Red Cross.

The auditorium of the Grammar School was well filled last Friday evening when under the auspices of the Red Cross, the District Representative, Mr. Wm. Hush of Oakland, and Dr. G. Morhodge of Persia, addressed the people of Sonoma. The meeting opened with a song by Miss Emily Poppe, after which a little necessary business was attended to. Then two patriotic songs were well rendered by the pupils of the High School, after which Mr. Hush spoke briefly. The address of Dr. Morhodge, which followed, was a wonderful story of his own experiences, chiefly while, as a captive of the Turkish army in Asia Minor, he served his captors as a trained surgeon . In this way he became well acquainted with the officers, many of whom were Germans, and under those orders he witnessed the diabolical torture of thousands after thousands of the wretched inhabitants of that devastated region. Through the Red Cross, the Doctor was finally rescued and brought to this country, where he is telling people what can eventually happen here if America should fail to win this war. The years of anguish and mental torture have left their mark upon the speaker, who while an American citizen, is yet quite foreign in voice and manner. Speaking mostly in a deliberate, serious way, he frequently burst forth in fiery, passionate invecitive against that military spirit in Berlin which is relentlessly urging on this bloodthirsty war.

The audience was deeply impressed with the story of the speaker and convinced of the great mission of the Red Cross to alleviate suffering and misery in the war wracked world of today.

PROMINENT VISITORS IN INTEREST OF BELGIAN RELIEF

While here Mesdames Clerfayt and Spreckels called at the Froment home, Mrs. Clerfayt being an old friend of Mr. and Mrs. Froment. She is a cousin of Mrs. R. P. Hill and a talented speaker, her lectures on Belgium having already attracted state wide attention.

IN MEMORIAM

Of the Two Napa Boys Who Died on the Fighting Line in France.

RICHARD WYLIE
(In the Napa Register).

Brave boys! Gone by the crimson way!
The story of your lives is told
And on the "service flag" today
Your stars of blue are turned to gold!
Together in the camp you trained;
Together breathed the gas-fouled air;
Together fell where death-hail rained;
Together you are resting-over there!
But in our hearts, you long shall live,
Mourned by near friends, honored by all;
You gave all that true men can give;
Our martyr-heroes—first to fall!

VINEBURG

Frank Kennedy of San Jose, who is well known in Sonoma Valley, is at present the guest of Mr. and Mrs. Gaston Raynal at Vineyard Villa where for many years he has spent his annual vacation. In the early mining days of California and Nevada Mr. Kennedy took a very active part. For fifteen years he held the responsible position of foreman in the United States Mint at Carson City. His many friends are all glad to greet him again.

Mayor Chas Dal Poggetto of Sonoma was a visitor in this section last Saturday. He did not see His Honor, the Mayor of Vineburg, as the latter was attending a special session at Wingo.

R. W. Vernon, accompanied by his son Ellis and Louis Volquardson. transacted business in Santa Rosa last Saturday. Business must have been rushing as North Vineburg has a new "Jewish Packard".

District Deputy Geo. McGill accompanied by Ernest Campbell and Albert Groskopf attended the Native Sons installation at Glen Ellen last Saturday evening and report a fine time. We believe them as everyone has a fine time when they visit the Glen Ellen Parlor.

Louis Martin was a visitor in the metropolis last Tuesday and Wednesday.

Miss Emily Batto was a week end guest of her cousin, Miss Marguerite McDevitt of Sonoma city.

Mrs. August Figone of San Francisco is the guest of her parents, Mr. and Mrs. John Batto.

During the past week the receipts of poultry and mill feed at Batto's Spur have amounted to over 3000 sacks.

Mrs. Gus Rouquie has returned home from a visit to her sister, Mrs. George Nebris, in Concord, Contra Costa County.

The moving pictures were well attended Tuesday evening and all who were present spoke well of them.

We understand that in the near future peaceful Vineburg will organize a social club for the purpose of entertaining the summer visitors There is enough of musical and vocal talent around the Burg to make such a club a success.

WHEREAS, the Board of Trustees of the City of Sonoma did, on the 6th, day of February, 1918, by a vote of two-thirds of the members of said board adopt a resolution determining that public interest and necessity demanded the acquisition, construction and completion of a system of waterworks for said city, the cost of which will be too great to be paid out of the ordinary annual income and revenue of said municipality.

NOW THEREFORE, the Board of Trustees of the city of Sonoma, do ordain as follows:

Section 1.—A special election is hereby called and ordered to be held in the City of Sonoma, State of California, on Monday, April, 8th, 1918, for the purpose of submitting to the qualified voters of said city a proposition to incur a bonded debt by said city for the acquisition, construction and completion of a certain municipal improvement for said city, to-wit; a system of waterworks, which said election shall be consolidated with the general municipal election to be held in said city on that day.

The estimated cost of said proposed system of waterworks and the amount of the principal of the indebtedness to be incurred therefore, is Forty Five Thousand Dollars; and the rate of interest to be paid on said indebtedness is not to exceed six per centum per annum, payable semi-annually.

Section 2.—The special election hereby called and ordered to be held shall be held and conducted, and the votes thereat received and canvassed, and the returns thereof made, and the result thereof ascertained, determined and declared as herein provided, and in all particulars not recited herein, according to the laws of the State of California providing for and governing elections in the City of Sonoma; and the polls for such election shall be and remain open during the time required by said law.

Yes ☐ No ☐

Sample ballots containing the above matter required to be printed thereon shall be supplied to the electors of said city by the City Clerk, but a failure on the part of any elector to receive such sample ballot shall not be held to invalidate the election or affect in any manner the legality of any bonds that may be authorized thereat.

Section 3.—Any qualified elector of the City of Sonoma, may vote at such special election for or against the proposition herewith submitted. To vote in favor of, and to authorize the incurring of a bonded debt for the purpose set forth in said proposition, he or she shall stamp a cross (X) in the voting square to the right of the word "YES" printed opposite said proposition, and to vote against and refuse to authorize the incurring of a bonded debt for the purpose set forth in said proposition, he or she shall stamp a cross (X) in the voting square to the right of the word "NO" printed opposite said proposition.

Such bonds shall be of the form and character known as "Serials" and at least one-fortieth part of the principal sum of said indebtedness will be paid each and every year in gold coin of the United States until all of said bonds shall be paid.

FISK DEPARTS FOR WAR TRAINING

Arthur W. Fiske wrote to this newspaper on the eve of his departure for Camp Grant, Illinois, and wishes to say good bye to all his Sonoma friends. He is most enthusiastic over the prospects of going to France to do his bit in the great war and is loud in his praise of Uncle Sam's treatment of the boys who go into the service. "I can say that Uncle Sam takes fine care of the boys. We get plenty of clothing and good sanitary food. Sanitation is the first thing we are taught."

Fisk's only regret is the leaving behind of his companionable and clever wife, the former Marjorie Buchan and his pretty little baby girl, Phillis, who if you were to ask her where daddy is would lisp out: "he's gone to get the Kaiser."

Wife and baby are here in Sonoma with Mrs. Fisk's mother, Mrs. Kate Buchan and grandmother, Mrs. J. A. Poppe. The latter although almost ninety years of age, has knitted many sweaters, helmets and stockings for the Red Cross. She is one of our most valued war workers. The entire family is intensely patriotic and Mrs. Fiske shares their enthusiasm.

HIGHWAY SIGNS ARRIVE

The Sonoma Valley signs which were purchased for the intersection of the State highway at Schellville out of a portion of the June celebration surplus have arrived and are to be placed by the Automobile Association.

Work on the bridges between Ignacio and Black Point is going forward and it is predicted that there will be much automobile travel over the Cut-off into Sonoma Valley this season.

GRADUATES AS NURSE AND ENTERS S. F. CLINIC

Miss Mamie Clement of El Verano was among the graduates last week from the Fairmount Hospital in San Francisco. Miss Clement now has a fine position in the operating room of the San Francisco Clinic. She took the full three years course in nursing and is much in love with her profession. Some time ago she was one of the young nurses much praised for donating a portion of their skin to a patient terribly injured in an elevator accident.

The mother of the young lady, Mrs. M. Clement of El Verano, went down to her daughter's graduation and enjoyed a pleasant visit prior to her beginning her duties at the clinic.
